IT IS ORDERED that the Collateral Forfeiture Proposal for the District of North Dakota is hereby adopted to regulate land management standards and for violation of statutes relating to the Bureau of Land Management.

Dated: July **28**, 2006.

BUREAU OF LAND MANAGEMENT

COLLATERL FORFEITURE PROPOSAL

for the

DISTRICT OF NORTH DAKOTA

Section Description Current Proposed

Notes

The existing collateral schedule has a provision that violations of specific offenses may have an enhanced bond assigned for aggravated circumstances. BLM requests to retain this provision, which specifically states:

In the presence of aggravating circumstances, i.e., where the result of a persons actions exceeds the bond or when a serious threat exists to Bureau property, resources or personnel, an enhanced bond forfeiture of up to \$500 may be established at the discretion of the issuing officer, the Special Agent in Charge, or the U.S. Attorney's Office. A "bad attitude" does not constitute aggravated circumstances.

- An asterisk (*) indicates an offense for which the bond may be increased for aggravated offenses.
- Two asterisks (**) indicates that is it proposed that where the federal statute assimilates a state statute that the fine set under state law also be assimilated.
- Blank entries (missing fine amounts) indicate no currently assigned bond for that offense.
- Officer has discretion to make forego a bond amount on violations and require a mandatory appearance in magistrate's court. Immediate contact with the USAO required.
